## WELCOME MESSAGE

Dear Colleagues,

Warm greetings from the organising committee of Acute Kidney Update 2021!!

On behalf of the organizing committee, it is my proud privilege to invite you for the Acute Kidney Update 2021, organised by the Department of Nephrology, Sir Gangaram Hospital, New Delhi, India. This update will be held on 26th & 27th June 2021, at The Lalit hotel, New Delhi, in a hybrid/virtual format to allow maximum participation.

The primary goal of this conference is to bring together all the Nephrologists/Intensivists on a common platform. This bi-annual conference provides a unique opportunity for healthcare workers to meet, interact and share knowledge. We assure you that eminent speakers from India and abroad will provide you an academic feast.

The organizing committee has members with vast experience in organizing academic conferences. The scientific committee is entrusted with the responsibility of ensuring that the conference meets the expectations of the participants.

With so many congresses having been cancelled or significantly reduced this year because of the COVID-19 pandemic, Acute Kidney Update 2021 will provide an exceptional opportunity to learn the latest and up-to-date science and clinical practices in the field of Nephrology.
